

EduData: 360-Degree Student Development Platform

Transforming K-12 Education Through Data Intelligence

SALIENT FEATURES

Comprehensive Educational Intelligence Platform

- 360-degree student development with complete analytics
- Certificate automation to boost student motivation
- AI Assistant for Insights - ask questions, get instant answers
- Intervention dashboard with early warning systems
- Enhanced teacher effectiveness through data-driven insights
- Accelerated implementation with standardized pipelines

SMART DATA INGESTION

Unified Platform Connecting:

- Student Information Systems (*Infinite Campus, PowerSchool*)
- Learning Management Systems (*Canvas, Khanmigo, ALEKS*)
- Assessment Platforms (*Socrative, Moodle*)
- Behavior & Intervention Tools (*Kickboard, Liveschool*)

MEASURABLE IMPACT

Proven Results After Implementation

Teacher Efficiency Gains

Teachers have reallocated an average of 7.3 hours per month from administrative data tasks to direct student support

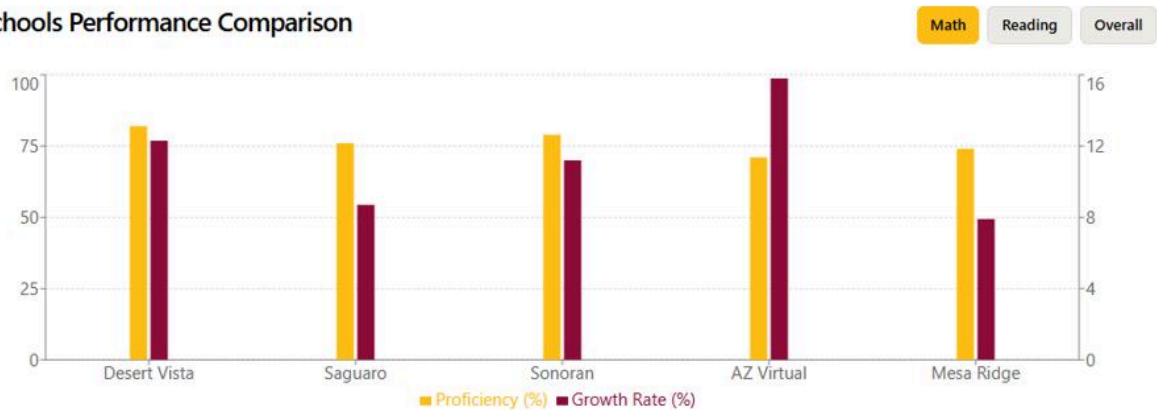

Student Engagement Boost

Automated certificate system increased student motivation, driving average lesson completion from 3 to 9 lessons per week

COMPREHENSIVE ANALYTICS DASHBOARDS

- Chronic Absenteeism Tracking
- Early Warning Systems
- Educator Performance Metrics
- School Effectiveness Analysis
- 360-degree Student Progress

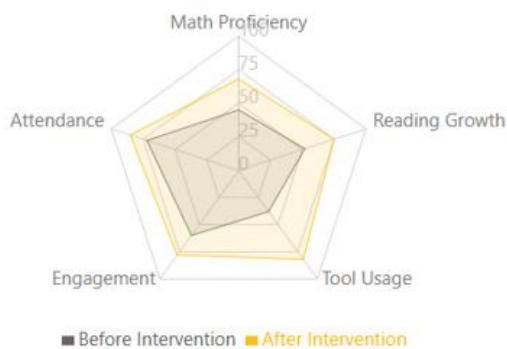

Schools Performance Comparison

Campus schools show higher proficiency but Digital school shows faster growth
